

BRIEF REVIEW

QUARTER ENDED 30 SEPTEMBER 2023

The Directors are pleased to present the condensed interim financial statements for the quarter ended 30 September 2023 and, as at that date.

The Company incurred a net loss after taxation of RS.17.841 Million (Loss of RS4.12per share) as compared with a loss of RS.16.183Million (Loss of RS 3.74per share) for the corresponding period of last year. The losses have arisen because the Company's continues to be in a non-operational mode and are higher than the last corresponding period because of a substantial increase in mark-up rates.

The Company continues to incur administrative expenses to manage, protect and preserve the valuable assets of the Company. All funds needed to sustain the company continue to be provided by the Company's principal shareholder from personal sources.

The Company has identified surplus assets for disposal to generate funds to pay off bank liabilities and raise working capital from the proceeds of the disposed surplus assets. During the period under review, a plan to convert land to industrial plots was formulated and although the Board committee formed to oversee this matter is actively pursuing the issue, the crisis-like economic conditions and political uncertainties continue to negatively impact the willingness of potential buyers to materialise such transactions. It is hoped that, with a restoration of stable conditions there will be renewed interest from potential buyers.

In view of the extraordinary losses it is not possible to make any recommendation for a pay-out and we thank the shareholders for their continued support and patience in these difficult times.

ON BEHALF OF THE BOARD OF DIRECTORS.

SOHAIL FAROOQ SHAIKH
CHIEF EXECUTIVE
